

**ITEM REFERENCE:** 200-0028

**COMMERCIAL NAME:** LOW FOLDABLE PARKING POST

**KIT CONTENT:**

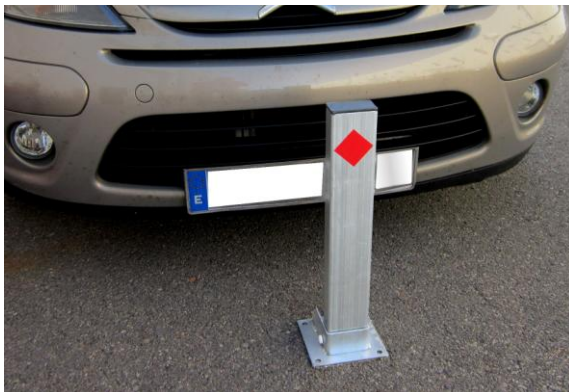

- 1 Barrier (Padlock, bolts and plugs included)
- 1 Reflective sticker

**SIZES AND COLOUR: 510x40x80mm**

- Height: Barrier up 510 mm / down 50 mm
- Width: 40 mm (base 150 mm)
- Thickness: 80 mm (base 150 mm)
- Colour: Silver grey
- Finishing: Galvanized

**DESCRIPTION:**

Cheap parking post barrier. Galvanized finishing. 4 fixing points for its installation. Easy and efficient closure with padlock. We can use it indoor as outdoor. We recommend installing it at 1 meter within the parking space to avoid impacts with other vehicles while parking. This parking barrier has an excellent quality/price relation.
